THE **WGSS**
**50TH ANNIVERSARY
RECEPTION**

On behalf of the Women, Gender, and Sexuality Studies department, we cordially invite you to celebrate half a century of scholarship, activism, and feminist education with an exclusive reception during Alumni Weekend 2024.

For more than 50 years, the students, faculty, and staff of WGSS have transformed what was a small collection of interested individuals into a recognizable and influential force for social justice education, both on campus and far beyond. Half a century is always a milestone worth recognizing; but there would be far less to celebrate were it not for the incredible community WGSS has fostered in that time. In other words, we couldn't have done it without you!

Please consider joining us at Unionville Vineyards at 6:00pm on April 20, 2024 for a reunion-style evening affair featuring wine tastings, catered refreshments, special presentations and recognitions, and fond memories – both new and old.
